

# The International Medical Conference on Aesthetic Medicine and Anti-Aging, “AMWC Japan,” to be Held on November 10<sup>th</sup> (Sunday) and 11<sup>th</sup> (Monday) at the ANA InterContinental Tokyo

“AMWC Japan” is Japan’s first international conference on aesthetic medicine and anti-aging. The third edition will take place at the ANA InterContinental Tokyo in Akasaka, Minato-ku with over 70 speakers from Japan and abroad.

## What is AMWC?

The "AMWC (Aesthetic and Anti-Aging Medicine World Congress)" is an international conference on aesthetic medicine and anti-aging, attracting over 12,000 participants and more than 250 companies from the pharmaceutical, medical device, cosmetics, and supplements sectors. It has been held annually in Monaco every year from March to April, and this year marks its 22nd edition. The "AMWC" also takes place in Asia, Europe, and North and South America, providing the latest information and academic programs in aesthetic medicine and anti-aging.

## What is AMWC Japan?

"AMWC Japan" held its first edition in November 2022 as Japan's first international congress on aesthetic medicine and anti-aging. It targets professionals such as dermatologists, plastic surgeons, anti-aging specialists, researchers, gynecologists, endocrinologists, and anyone interested in contributing to healthcare through the fields of aesthetic medicine and anti-aging. The third edition will be held in Tokyo.
